### IMPORTANT INFORMATION

VPS Paint Protection Film can be **permanently** stained by long term exposure to Petrol, Diesel, Tar and Bug Acids. The film should thus be cleaned and waxed regularly, particularly after long trips at high speeds. Do not use a high pressure hose, as this will damage the film.

### CARE AND MAINTENANCE

Do not wash vehicle for 3 days after fitting. Thereafter the film must be washed regularly using VPS Paint Protection Film Wash. Do not wash using a high pressure hose, as this will damage the film.

Apply VPS Paint Protection Film Sealant with a soft microfibre cloth within 1 week of fitting, and every 3 months thereafter to minimise atmospheric contaminants from penetrating the surface of the film. Wax or dirt buildup at the edge of the film may be removed using a soft toothbrush and soapy water.

Discolouration of the film is normally due to pollutants or stains on the surface. When this becomes apparent, clean the film as soon as possible with VPS Paint Protection Film Cleaner, and then immediately apply VPS Paint Protection Film Sealant to the cleaned area. **NEVER** clean or polish the film with any products that contain **PARRAFIN** based petroleum distillates or **CARNAUBA WAX** as this will turn the film yellow and void this warranty.

VPS Paint Protection Film maintenance products are specifically formulated for Paint Protection Film and are available from all VPS Fitment Centres.

### ACCIDENT DAMAGE

Please notify your insurers that you have had VPS Paint Protection Film fitted to your vehicle, and submit a copy of your invoice to them so that the paint protection film may be included in the cover provided under your policy. In the event of accident damage to your vehicle requiring the services of a motor body repair shop, please advise the repairer that VPS is fitted to your vehicle and instruct them to avoid buffing on, or in the immediate vicinity of the VPS Paint Protection Film as this could damage the paint protection film.

### LIMITED PRODUCT WARRANTY

## LIMITED PRODUCT WARRANTY

**3M** Paint Protection Film from VPS Head Office (VPS) is warranted to be free of manufacturing defects for a period of 5 years from date of purchase. This Warranty only covers discernable manufacturing defects in **3M** Paint Protection Film, including, but not limited to, **substantial** yellowing, cracking, bubbling or peeling, that may become manifest during the intended, normal and proper use of the **3M** Paint Protection Film.

This Warranty **DOES NOT COVER** damage that:

(i) results from deterioration of **3M** Paint Protection Film caused by normal wear, accident, collision, negligence, misuse, abuse, neglect, mishandling, alteration, maladjustment, modification, customization, alteration or vandalism, **nor does it apply to damage caused by physical abrasion or impact of rocks or road debris**, or

(ii) results from (a) products not supplied by VPS, or (b) service by anyone other than an accredited VPS Installer, or (c) application of chemicals not approved by VPS, or

(iii) results from misapplication, faulty installation, installation methods or any installer action or inaction. No agent, representative, installer, dealer, or employee has the authority to alter, extend, limit, modify, or increase the obligations or limitations of this Warranty. The installer is neither an employee nor an agent of VPS.

This warranty applies to manufacturing quality only as set forth herein. All other warranties, whether expressed or implied, are disclaimed. The installer of the **3M** Paint Protection Film is **SOLELY RESPONSIBLE FOR THE QUALITY OF THE INSTALLATION** of the **3M** Paint Protection Film installed on your vehicle. This warranty does not cover, and is intended to exclude, any liability on the part of VPS and/or the installer of **3M** Paint Protection Film, whether under this warranty or under any warranty implied by law and not disclaimed herein, if any, for any incidental or consequential damages arising from the sale, installation, application, use of, or inability to use, the **3M** Paint Protection Film. There is no warranty of merchantability and no warranty that **3M** Paint Protection Film shall be fit for any particular purpose or use. There are no other warranties either expressed or implied other than as set forth herein. All other expressed warranties made by VPS, including any demonstrations, models or symbols, if any, are hereby disclaimed.
